The contents of the mini-manifestos are the sole legal responsibility of the candidates and their election agents. ### The London Assembly

The Assembly acts as the eyes and ears of Londoners at City Hall. Members hold the Mayor to account by examining Mayoral strategies, decisions and actions to make sure they are in the public interest. You can find out who is standing for election from page 29 of this booklet.

### When to expect the results

For the 2021 elections, the count will be spread over two days, in order to maximise social distancing at the count venues. Results for the 14 Constituency London Assembly Members will be announced on Friday 7 and Saturday 8 May; seven will be declared on Friday, and seven on Saturday. The results for the Mayor of London and London-wide Assembly Members will be declared on the evening of Saturday 8 May at the earliest.

**Mary Harpley**

**Greater London Returning Officer**

**At your polling station**

Before 6 May, you will be sent a poll card which includes details of where your polling station is. You do not need to take the card with you to vote, but it will help staff. You can only vote at the polling station listed on this card.

You can also find out which polling station you can vote at using our online polling station finder. Visit [londonelects.org.uk](https://www.londonelects.org.uk).

**Applying to vote by post or by proxy**

You can also apply to vote by post or appoint someone you trust to vote on your behalf as your proxy. Just download a form from [electoralcommission.org.uk](https://www.electoralcommission.org.uk), complete it and return it to your local borough council's electoral registration office. If you don't have internet access, your electoral registration office can help.

**By post**

If you're a registered postal voter, your three ballot papers will be sent to you before polling day. The deadline for new postal vote applications and for changes to existing postal or proxy votes is **5pm on Tuesday 20 April 2021**.

You must return them so that they are delivered to your electoral registration office by 10pm on 6 May in the envelopes provided. If you have not posted your ballot papers and postal voting statement in time, you can deliver it by hand on polling day. You can drop it off at any polling station in the borough where you are registered to vote or your borough's electoral registration office.

You should follow the instructions in the postal ballot pack carefully. Ballot papers and the postal voting statement should be folded and placed in the return envelopes.

**By proxy**

If you have applied to have someone vote on your behalf (proxy), make sure that they know the candidates you wish to vote for.

The deadline for receiving new applications to vote by proxy (not postal proxy or emergency proxies) is **5pm on Tuesday 27 April 2021**.

The deadline for receiving emergency proxy applications is **5pm on Thursday 6 May 2021**.

On 6 May, your local polling station will be open between 7am and 10pm for you to cast your votes.

When you arrive at the polling station you'll be asked for your name and address. Staff will check you're on the register and then give you three ballot papers. They can help you understand how to fill them out too.

**COVID-19 information**

Polling stations will be safe places to vote on 6 May. Do not vote in person if you feel unwell. Here's what you can do to help keep yourself and others safe:

- wear a face covering unless you are exempt
- clean your hands – hand sanitiser will be available
- observe social distancing and one-way systems
- bring your own pen or pencil

For the latest information on COVID-19 and the elections, visit the London Elects website at [www.londonelects.org.uk/Covid](https://www.londonelects.org.uk/Covid).

If you cannot go to the polling station in person, you can apply to vote by post or by proxy.

**Additional support**

There are 'tactile voting devices' and large-print versions of ballot papers at polling stations to help people with visual impairments.

Polling stations also have accessible booths to accommodate wheelchairs.

**Multilingual resources**

All voting materials in polling stations are in English. Guidance notes will also be available at polling stations in 20 additional languages:

Arabic, Bengali, Bulgarian, Chinese Simplified, Chinese Traditional, French, Gujarati, Italian, Lithuanian, Persian/Farsi, Polish, Portuguese, Punjabi Indian, Punjabi Pakistani, Romanian, Somali, Spanish, Tamil, Turkish, Urdu.

**Outside the polling station**

Supporters of the candidates (called 'tellers') may stand outside the polling station and ask for your name and address. Tellers help their parties or candidates to identify supporters who haven't yet voted. That way, those who haven't can be contacted and encouraged to vote, and if needed offered help - like transport to the station. You don't have to speak to tellers if you don't want to.

## What does the Mayor of London do?

The Mayor's job is to make London a better place for everyone who visits, lives or works in the city.

This ranges from developing policies to setting budgets, from overseeing major programmes to championing London around the world.

Responsibilities of the post include policing, transport, housing, fire and emergency planning, the environment, culture, economic development, regeneration, planning and development, and tackling health inequalities.

On 6 May 2021, the Mayor of London will be elected for a three-year term, with the next election taking place in May 2024.

## How do I vote?

### Vote for the Mayor using your PINK ballot paper.

- You have 2 choices for Mayor.
- Mark [X] your first choice in Column A.
- Mark [X] a different second choice in Column B.
- You must make a first choice or your vote won't be counted.
- Each vote must be for a different candidate.

## How is the Mayor elected?

If a candidate gets more than half of all the first-choice votes, they are declared the winner and elected Mayor of London for the next three years.

If no candidate gets more than half of the first-choice votes, the two candidates with the most first choices go into a second round. All other candidates are eliminated. The eliminated candidates' ballot papers are reviewed and any second-choice votes for the top two candidates are added to their totals. The candidate with the highest number of combined first and second choice votes is elected Mayor.

## What is the London Assembly?

The London Assembly has an important role in London's government. It holds the Mayor to account by examining their decisions. It also investigates issues that matter to Londoners.

The London Assembly is made up of 25 Members. 14 Assembly Members are elected to represent London's 14 constituencies. Another 11 Members represent London as a whole.

On 6 May 2021, the London Assembly will be elected for a three-year term, with the next election taking place in May 2024.

## How do I vote for the London Assembly?

In the election for the London Assembly, you have **two ballot papers**.

### Constituency London Assembly Member (YELLOW ballot paper)

- Choose who you want to represent your local area on the London Assembly.
- Vote for only one candidate.
- Mark [X] next to your choice.

### London-wide Assembly Member (ORANGE ballot paper)

- Choose who you want to represent the whole of London on the London Assembly.
- Vote only once.
- Mark [X] next to your choice.

## How is the London Assembly elected?

Constituency London Assembly Member: The candidate in each constituency who gets the most votes wins.

London-wide Assembly Member: Votes from across London are added together. Any party or candidate with five per cent or less of the votes is eliminated. The 11 seats are then allocated to the remaining parties or independent candidates. This is worked out using a formula that takes into account the number of Constituency London Assembly Member seats the party has won.

# STEVE KELLEHER for Mayor

Born and bred in Bermondsey to an Irish immigrant family, I grew up on a council estate near the Elephant & Castle. I was

fortunate to go to a Grammar School. I am a father of five, have coached cricket in London for many years and work in recruitment in The City.

# SDP

## Social Democrats

The Social Democratic Party (SDP) is a patriotic, economically left-leaning culturally traditional party with a distinct political heritage going back over forty years.

*The SDP is committed to a more equal society, free of prejudice and we're proud to support the 'Don't Divide Us' campaign for social unity. Londoners share a common fate – there is such a thing as society.* **William Clouston**

Prepared by Steve Kelleher of 127 Sandy Lane South, Wallington, Sutton, SM6 9NW as agent

## BACK THE POLICE

Trust local police commanders to fight crime without political interference. Crime rates could be halved if we return to community foot patrols, increase beat officers by 10,000 and scrap low priorities like monitoring social media.

## FREE PUBLIC TRANSPORT FOR YOUNG PEOPLE

I will prioritise free public transport for people in the three years running up to their 25th birthday to help start new businesses and the search for work. We will introduce a 'London Citizen Card' for those who have lived in the capital for five years consecutively – entitling them to benefits such as occasional free tube travel.

## 50,000 NEW COUNCIL HOUSES

I will target for 50,000 new council houses per year by 2024 with a 'Points Super Bonus' for young people born and brought up in the borough where they apply for social housing. We want more London families to stay close between generations, with grandparents, parents and grown-up children close by. Families are the foundation of our society.

# SIAN BERRY — GREEN PARTY

A green recovery that transforms lives, raises everyone up and brings us together to build a secure future. This election matters, it is different, and your votes really count.

## LONDONERS ARE CRYING OUT FOR A NEW START.

### FRESH THINKING FOR HOUSING

- ✓ A city like London can find everyone a decent secure home.
- ✓ I will halt the destructive demolition of council homes, and build stronger rights for renters, to bring down costs and prevent evictions.

### A CLEAR PLAN TO KEEP LONDON MOVING

- ✓ Reducing fares to and from outer London, creating a single fare zone.
- ✓ We will shift funding away from roads to invest in healthy, welcoming streets, better buses and new public transport links.

### ACTION FOR A SAFE AND HEALTHY CITY

- ✓ I'll focus police on local communities and preventing violence.
- ✓ Youth services and mental health will get much-needed new investment. And you can trust us to clean our air and protect green spaces.

We must demand that those in power do things better. I have not been a Politician, but I now believe London needs new leadership.

UK Independence Party (UKIP) was founded 28 years ago to stand up to the bullying elite at Westminster and became the voice for the working class and others abandoned by the mainstream parties. **Now we are getting back to our roots!**

I grew up on a council estate where my mother voted Labour, my father voted Liberal and other family members voted Conservative. As a centrist I represent all Londoners in a way no one else can and will draw together a non-partisan team of the best to run London.

**Why should all Londoners, including 'remainers,' vote for UKIP on May 6th?** Because our fight was not just about Brexit, it was about democracy. We forced a referendum because we believed the people should decide - not the politicians. That battle is far from over. Visit my website at [www.gammons.london](http://www.gammons.london) to find solutions to London's problems, including:

- 1. A SAFER LONDON** - Reduce violent crime • Increase policing • Greater Protection for women and young people
- 2. AN AFFORDABLE LONDON** - Affordable Housing • Freeze Council Tax • Protect Renters • End Homelessness
- 3. AN EFFICIENT LONDON** - Protect those who can't afford Electric Cars • Cut Bike Lanes • Make TfL Profitable • Protect Black Cabs • Stop CCZ Expansion & and LTNs
- 4. A PROSPEROUS LONDON** - Cut the Waste • Stop the Cronyism • End Lockdown
- 5. A GREENER LONDON** - Protect Green Spaces • Million New Trees • 10 New Parks
- 6. A UNITED LONDON** - Opposing Racism, Hatred and Bigotry • UKIP GLA candidates are the most representative: half from ethnic minorities • 2/3 lead candidates women • black, white, Asian, Christian, Jewish, Muslim, London-born to those whose families are from Africa, Central and E. Europe, India, the Middle East and the West Indies. UKIP is fighting for all Londoners.

So, if you are not happy with the way London is going it is vital on 6th May that you DO NOT vote for your usual party but Peter Gammons for Mayor and UKIP for the London Assembly, so we can fight for you! Every vote counts!

**My name is Kam. I am 39 years old. I moved to London as a student and made it my home. It's not about left or right, north or south, just our city working for all Londoners. The time has come to recognize that healthcare, housing, clean air and a respectable basic income are human rights for all Londoners.**
